ANNUAL REPORT

of the

TOWN OFFICERS

of

SANDOWN, N.H.

FOR THE YEAR ENDING

DECEMBER 31, 1978

University of
New Hampshire
Library

Digitized by the Internet Archive
in 2010 with funding from
Boston Library Consortium Member Libraries

This Town Report is dedicated to two men who gave much of their lives to the Town of Sandown

IN MEMORIUM

Ralph H. Millard served his town well as Police Officer and as Chief for 30 years. He was a great friend to all who knew him. His devoted work for the Town, and his kindness and knowledge of what was needed was an inspiration to us all. He will be sorely missed.

IN RETIREMENT

John J. Pinard has served his Town well as Tax Collector for 30 years. His many achievements also include Police Officer, member of the Planning Board, Trustee of the Trust Fund, and Central School Planning Committee. A record that would be hard to equal. His wise judgment and integrity has long been used for the good of the Town. Jim also gave his time as a Charter Member of the Lions Club, and a long term member of the Sandown Grange.

We wish "Jim" and Helen many happy years of retirement.

ANNUAL REPORTS

of the

SELECTMEN, TREASURER, CLERK, HIGHWAY AGENT, TAX COLLECTOR, HEALTH OFFICER, TRUSTEES OF TRUST FUNDS, PLANNING BOARD, BOARD OF ADJUSTMENT, CONSERVATION COMMISSION, LIBRARY COMMITTEE, FIRE DEPARTMENT, FIRE WARDEN, POLICE DEPARTMENT, POLICE STUDY COMMITTEE, AUDITORS, VISITING NURSE ASSOCIATION, BUILDING INSPECTOR

AUDITOR'S REPORT

We have carefully examined the accounts of the Selectmen, Treasurer, Tax Collector, Trustee of the Trust Funds and Library Trustees for the year ending December 31, 1978, and find them properly vouched and reflective of the Town's financial position.

Specific recommendations and requirements to improve various functions have been given to the town Selectmen.

WILLIAM G. SCHANCK
JOHN HURLEY
Auditors

It has been a good year. To supplement our own collection of about 4,000 volumes, we were visited three times by the N.H. State Library Bookmobile. We borrowed a total of 1,728 items from them.

159 special requests from our patrons were filled either by the N.H. State Library or by other libraries within the state. We are extremely grateful for the extended services that the State Library allows us to offer using their resources, films, large print books and extended reference services. We were able to take advantage of two ten week courses offered by the State Library at UNH for public librarians.

Mrs. Mary Ellen O'Neill ran two ten week sessions of our popular Story Hour to the delight of many four and five year old children. The town benefits in service from the professional attitudes of both Mary Ellen and Cathy Pinard who give and give.

Library personnel and volunteers ran a successful six week Summer Reading Program. Our pysanki and bread dough art classes were enjoyed by many, as was the Wood Stove Workshop and the evening Christmas story hour.

The downstairs room is now used daily by various town groups and the Derry Visiting Nurses and other groups occasionally use the main library room as a meeting place.

A regional co-operative has been formed involving approximately thirteen libraries in an attempt to get better discounts on book and

TOWN WARRANT

The State of New Hampshire

The polls will be open from 10:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Sandown in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Sandown on Tuesday, the thirteenth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing. The following articles are to be voted at adjourned meeting Wed., March 14, at 7 PM, 1979.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the Town will vote to raise and appropriate the sum of Two Hundred Twenty-Five Thousand Dollars (\$225,000.00) for the construction and equipping, with improvements of a permanent nature, of a new Fire Station, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed Two Hundred Twenty-Five Thousand Dollars (\$225,000.00) under and in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33:1, Et Seq., as amended), and authorize the Selectmen to issue and negotiate such Bonds or Notes and to determine the rate of interest thereon, and to take such other actions that may be necessary to effect the issuance, negotiation, sale and delivery of such Bonds or Notes as shall be in the best interest of the Town of Sandown.

Disapproved by Budget Committee.

Article 4. To see if the Town will vote to raise and appropriate the sum of Two Hundred Seventy-Six Thousand Three Hundred Thirty Dollars (\$276,330.00) for the construction and equipping, with improvements of a permanent nature, of a new joint Fire and Police Station, such sum to be raised by issuance of Serial Bonds or Notes not to exceed Two Hundred Seventy-Six Thousand Three Hundred Thirty Dollars (\$276,330.00) under and in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33:1, Et Seq., as amended), and

authorize the Selectmen to issue and negotiate such Bonds or Notes and to determine the rate of interest thereon, and to take such other actions that may be necessary to effect the issuance, negotiation, sale and delivery of such Bonds or Notes as shall be in the best interest of the Town of Sandown.

Recommended by the Budget Committee.

Article 4a. Contingent upon the passage of Article 4, to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be applied to the first interest payment on the Bond Issue due fiscal 1979. Recommended by the Budget Committee.

Article 4b. To authorize the Selectmen to apply all Interest received from investment of Bond Program and to make application for, to receive and spend in the name of the Town such advances, grants in aid or other funds as may or herein after be forthcoming from Federal or State sources for the Fire-Police Building Program.

Article 5. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Article 6. To see if the Town will authorize the Selectmen to administer or dispose of at Public Auction property taken through Tax Collector's deeds.

Article 7. To see if the Town will accept Town Road Aid, State to contribute \$4,177.05, Town to raise and appropriate the sum of \$626.56.

Recommended by the Budget Committee.

Article 8. To see if the Town of Sandown will vote to raise and appropriate the sum of \$1,596.00 to help support Greater Salem Mental Health Association for the fiscal year 1979.

Recommended by the Budget Committee.

Article 9. To see if the Town will hereafter elect 6 members of the Budget Committee in accord with RSA 32:3.

Article 10. To see if the Town will vote to accept the 1968 Pontiac Ambulance as a gift to the Town from the Sandown Rescue Squad.

Article 11. To see if the Town of Sandown will appropriate and raise the sum of One Thousand five hundred dollars, (\$1,500) being a contribution to the Vic Geary Drop-In-Center for Senior Citizens.

Recommended by the Budget Committee.

Article 12. To see if the Town will vote to accept as a gift from Arthur and Marguerite Johnson, a parcel of land shown as Lot #4 on Map #19 of the 1976 Town Property Map, this land to be considered a Conservation Area or possible use by the Fire Department as a water hole.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$37,000 to institute door-to-door solid waste pickup and disposal. \$10,000 of which to be allocated to construct a transfer station at the site of the present town dump, and \$27,000 to be allocated for pickup and disposal after July 1, 1979.

Without Recommendation of Budget Committee.

Article 14. To see if the Town will vote to adopt RSA 41:38 which provides for the appointment of Deputy Tax Collectors by the Tax Collector with the approval of the Board of Selectmen.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$2,000 to be placed in the Capital Reserve Account for the purpose of a new fire truck.

Recommended by the Budget Committee.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$1,000 to be placed in a Capital Reserve Account for the purchase of a new police cruiser.

Recommended by the Budget Committee.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$2,000 for safety and security material at the Railroad Depot.

Without Recommendation of Budget Committee.

Article 18. To see if the Town will vote to accept the Sandown Rescue Squad as an organization of the town.

Article 19. To see if the Town will vote to accept Rowell Lane as a town road, subject to a vote of the Board of Selectmen.

Article 20. To see if the voters of the town will accept the road known as Brookside Drive which is located in the Co-Rec, Inc., development off Hampstead Road, as a town of Sandown road, subject to a vote of the Board of Selectmen.

Article 21. To see if the voters of the town will vote to accept the

road known as Morrison Lane which is located off Hawkwood Road, as a town of Sandown road, subject to a vote of the Board of Selectmen.

Article 22. To see if the town will vote to accept Holt's Point Road, and Round Hill Road for general maintenance.

Article 23. To see if the voters of the town will vote to accept the road known as Cricket Lane, which is located in the Cricket Corner subdivision off Sargent Road, as a town of Sandown road, subject to a vote of the Board of Selectmen.

Article 24. To see if the town will vote to accept Lake Ridge Ave., from its easterly intersection with Holmeswood Drive, to its westerly intersection with Royal Range Road, as a town road, subject to a vote of the Board of Selectmen.

Article 25. To see if the town will vote to accept Love Lane, from its easterly intersection with Royal Range Road, to its westerly intersection with Stagecoach Drive, as a town road, subject to a vote of the Board of Selectmen.

Article 26. To see if the town will vote to accept Stagecoach Drive, from Rte. 121A, to its southeasterly intersection with Love Lane, subject to a vote of the Board of Selectmen.

Article 27. To see if the Town of Sandown will vote to authorize the Sandown Conservation Commission to place the unexpended portion of its appropriation in a special conservation fund as provided in RSA 36-A:5.

Article 28. To see if the town of Sandown will vote to accept the "Sandown Historical Society and Museum": empowering the society to receive gifts, grants, documents or loans of such items, in the name of the town or in the name of the society.

By Petition

Article 29. To see if the town of Sandown will vote to raise and appropriate the sum of \$700.00 to purchase a ten-unit aluminum collapsible self storing voting booth, complete with red, white and blue canvas curtains to replace the present system now in use.

Recommended by the Budget Committee.

Article 30. To see if the town will vote to require the Planning Board to begin work immediately on a comprehensive Master Plan for

the town of Sandown which would take into consideration such things as the conservation of wetlands, watersheds, lakes, streams, zoning changes, the phasing of growth, providing therefore, and to present a formal report of their progress to the 1980 Town Meeting.

Referendum Article by Petition.

Article 31. To see if the town will vote to require the Building Inspector to publish, on a monthly basis, in a local newspaper of general distribution, the total number of building permits issued to date, the total value of those permits, and the individual permit data for the month which would include the name of the applicant, the location of the building, and the value of the permit.

Referendum Article by Petition.

Article 32. To see if the town will vote to require the Planning Board to publish, in a local newspaper of general distribution, the following information regarding each subdivision to be brought before them: 1) the name of the subdivider, 2) number of house lots, 3) size of house lot, 4) total acreage of subdivision, 5) location of subdivision, and after each review of subdivision, indicate whether or not it was approved.

Referendum Article by Petition.

Article 33. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the federal Social Security Act. (Old age, Survivors, Disability and Health Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated amended by Chapter 302 and 332 of the laws of 1955 and to raise and appropriate the sum of \$3,065.00, to defray the town's share of the cost thereof.

Without Recommendation of Budget Committee.

Article 34. If a plan for social security coverage is adopted, to see if the town will authorize the Selectmen to execute on behalf of the town the necessary agreement with the state of New Hampshire to carry into effect the plan and see if the town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

Article 35. To see if the Town of Sandown will vote to raise and appropriate the sum of \$934.00 to purchase a portable radio unit for the Police Department.

Recommended by the Budget Committee.

Article 36. To see if the Town of Sandown will vote to raise and

appropriate the sum of \$1,685.00 to purchase a radar unit for the Police Department.

Without Recommendation of Budget Committee.

Article 37. To see if the Town of Sandown will vote to raise and appropriate the sum of \$1,000.00 for Educational Programs for the Sandown Police Officers.

Disapproved by Budget Committee.

Article 38. To see if the town will vote to provide workers' compensation coverage for eligible employees by participating in the New Hampshire Municipal Association Self-Funded Workers' Compensation Program commencing March 16, 1979 and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

Article 39. To see if the Town of Sandown will vote to provide that all newly constructed housing shall have strapping in living areas prior to the installation of electrical wiring.

Referendum Article by Petition.

Article 40. To see if the Town of Sandown will vote to provide that all newly constructed housing shall have installed at least one smoke detector adjacent to the bedroom areas.

Referendum Article by Petition.

Article 41. To see if the Town of Sandown will vote to provide that all newly constructed housing shall have a three-way or four-way switch when a room, hallway, cellar or garage has more than one entrance.

Referendum Article by Petition.

Article 42. To see if the Town of Sandown will vote to provide that all newly constructed housing shall have a duplex receptacle in the hallway.

Referendum Article by Petition.

Article 43. To see if the Town of Sandown will vote to provide that all newly constructed housing shall have at least two, one-half switched duplex receptacles unless there is an overhead ceiling light.

Referendum Article by Petition.

Article 44. To see if the Town of Sandown will vote to provide that all newly constructed housing shall have four lights in a full basement.

Referendum Article by Petition.

Article 45. To see if the Town of Sandown will vote to automatically

accept updates, changes, and revisions to the National Building Code and the National Electrical Code.

Referendum Article by Petition.

Article 46. To see if the Town of Sandown will vote to raise and appropriate the sum of \$450.00 for the purchase of stop signs, yield signs or similar signs, the State to contribute \$225.00.

Recommended by the Budget Committee.

Article 47. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Fund established under provisions of the state and local assistance act of 1972 for use as set offs against budgeted appropriations and warrant articles for the following specific purposes and in amounts indicated herewith or take any other action hereon:

<u>Appropriation</u>	<u>Amount</u>
A. Article #8, Salem Mental Health Assoc.	\$1,596.00
B. Article #11 Vic Geary Center	1,500.00
C. Article #29 Voting Booths	700.00
D. Article #13 To offset cost of transfer station	8,438.00
E. Entire amount to partially offset cost of solid waste disposal.	
F. Entire amount to partially offset cost of operation to town dump.	

Article 48. To see if the Town will vote to authorize the Selectmen to make application for, to receive and spend in the name of the Town, such advances, grants in aid or other funds as may now or herein after be forthcoming from Federal, State and local or private agencies.

Article 49. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 26th day of February, in the year of our Lord nineteen hundred and seventy-nine.

Town Clerk

BUDGET COMMITTEE REPORT

This is the first year the Town must comply with the regulations of the Municipal Budget Law.

The Committee worked throughout 1978 reviewing the Town's financial expenditures for the last five years in general and 1978 specifically.

We met with Department Heads to become familiar with their individual needs. All department budgets were reviewed in detail. Over 1,000 hours have been spent by the Committee formulating the budget for 1979.

At the request of the Budget Committee, a Warrant Article will appear in support of electing the Budget Committee.

A book showing specific line-item figures for each department will be available for public inspection in the Town Hall.

It is our hope the people will avail themselves of this service to be more informed about the workings of the Town's financial picture.

We look forward to serving the Town in 1979 by overseeing the budget voted by the People at Town Meeting.

Respectfully submitted,

Mary M. Comerford, Chairman

magazine purchases, offer our patrons better regional resources and to hold programs and workshops of professional interest. Meeting monthly, this has been an unqualified success.

The Friends of the Sandown Library, led by Mrs. Catherine Pinard, have had many interesting fund raising programs this year to fund various library projects. One projects, now completed, was the organization of historical papers by Sandy Thomas and the purchase of a special file to hold these.

More chairs were purchased for the downstairs room and co-operation with the Sandown Central School was encouraged by a Friend's sponsored reading contest this fall and an open house for teachers last spring. The School loaned us several hundred books for the Summer.

Trustees Hazel Rogan, Eleanor C. Bassett and Emily Lovell join me in thanking the many residents who donate books, displays and services which contribute greatly to our efforts to serve you.

Respectfully,

SUSAN MAST

FIRE DEPARTMENT REPORT

The Fire Department responded to 26 calls for assistance, most were minor, resulting with little or no damage.

Some of these minor problems were wood stove related. Wood stoves can be useful if installed and operated properly, but also be fatal when the installation is not employing the recommended procedures. Anyone that is now using or planning to use wood as a heat source, and has little or no knowledge of using wood, should obtain instruction from reliable sources, a good source would be the Extension Service.

Before using wood stoves the chimney should be cleaned, and the flue checked for safe useage. This rule applies to chimneys that are in use, at least once a year.

The oxygen removed from the police car, and put back in the rescue van, was done because there were no trained police personnel. This equipment was purchased by the Fire Department to be used by licensed Fire and Police personnel. This condition was part of the 1972 warrant article.

A reminder to the newer residents that the Fire Department is a Volunteer Department; this means day time hours we are limited to the available number of men to respond to fire — so please be careful.

Again I would like to thank all that have made this a working Department.

A list of calls that were responded to:

GEORGE NEWTON

Chief, Fire Department

HIGHWAY DEPARTMENT

This past year has been a busy but successful one. Cleaning up after the '78 blizzard, and the building of the new bridge on Phillips Road, have been the main projects. Also, patching and resealing of North Road, and part of Fremont and Odell Roads. Weekly maintenance of the town dump, plus the addition of several new town roads, overseeing the new "Speedy" Program for the town youth this past summer, and repairing, welding and maintaining old worn out equipment has been another time user and expense. Trying to stay within the budget has been next to impossible with the rate of growth in town. (Sandown is second only to Londonderry in growth rate in Rockingham County.) With this growth rate comes new roads, but we're still working with the same equipment and manpower. I've done my best to keep the cost down.

My thanks to Allan Richards for his needed and appreciated help over the past year, and also to the residents who've had to wait for the roads to be plowed, sanded, or salted because the plows, or sander or the Road Agent was being repaired.

Respectfully submitted,

BOB JOHNSON
Road Agent

SANDOWN CONSERVATION COMMISSION

The Conservation Commission had quite a busy year with a forest management program started being its largest undertaking. Town owned lands were studied and several pieces were walked over and boundaries located. Mr. Tom Neff, forest consultant, was hired to help us determine what was the best project and piece of land to work on. A piece of land on Reed Rd. was determined as a good piece for a forest management project consisting of thinning and selective cutting.

We would like to thank Mr. John Holmes for the many hours he assisted us in locating town lands.

Several dredge and fill applications were examined and also a very bad situation of animal pollution at Angle Pond was solved.

The board has had quite a problem getting people to serve and is now down to four members. Anyone in town with any interest in conservation is more than welcome to apply for membership.

JANET M. ROMAINE

Conservation Member

SANDOWN RESCUE SQUAD

Since Jan. 1, 1978 the Rescue Squad has responded to 62 emergency medical calls, 13 fire calls, and 1 mutual aid call. The more aware the residents are of our services the more calls we have been receiving.

The present active membership consists of 11 Nationally Registered Emergency Medical Technicians and 4 Certified Advanced First Aider, bringing the total to 15. The Rescue Squad also has 5 Advanced First Aid Instructors and 6 C.P.R. Instructors.

We will do our best to provide 24 hour coverage as we have maintained in the past.

The Volunteers of the Rescue Squad wish to express their thanks to everyone who has supported this Squad financial and otherwise.

DON PARENT

President, Rescue Squad

REPORT OF DISTRICT FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

The above reflects the increased services provided by your Police Department in 1978. Your Police Department has tried not only to improve the quality of its service to our Town but to initiate and develop programs and services to give our townspeople more value for their tax dollar. Criminal activity is costly to both the victim and the tax payer. It takes dollars and sense to maintain an efficient and effective Police Department. The value of having our own Police Cruiser and properly uniformed officers has no doubt helped us in the performance

of our duties. But there is another way to fight crime and protect tax dollars — and that is citizen assistance and support. A part time Police Department has its limitations, but every citizen can help by reporting the unusual things you notice around your home or in your area. Such assistance could help us to catch a criminal before he or she completes their crime and gets away. Such assistance can save your neighbors hardships, cut down on insurance costs, and save your Police Department time and money which saves on tax dollars. Citizen assistance and support may look like a small thing, but it can pay big dividends to us all.

I am proud of the devotion and dedication given by the members of the 1978 Police Department. Each has given his and her best to your department and deserves more praise than criticism.

FINANCE COMMITTEE FOR THE NEW CENTRAL FIRE/POLICE STATION REPORT

The Finance Committee for the new Central Fire/Police Station was appointed by Selectmen in April of 1978. The purpose of this Committee was to look into the best way to finance the proposed fire and police station.

The Committee's first concern was to check with the Police Department to see what additional space would be needed in a central station, as the original plans called for a Fire Station only with a future addition of the Police Station. Because of the remodeling of the railroad depot and the housing of the Police there, it was felt by the Police Chief and this Committee that we should concentrate on the original proposed Central Fire Station with a Police addition possible in a few years.

Much time and effort has been put into seeking State, Federal, or other avenues of financing for a Central Fire Station. I am sorry to report that this Committee found no such funds available.

The Committee met on several occasions with a contractor, an architect, and a representative of the New Hampshire Municipal Bond Bank to try and come up with a workable plan of financing the new station.

With a lot of help from John Daley, the architect, and Skip Barrett of the New Hampshire Bond Bank, the Committee reported their findings to the Selectmen in October of 1978 as specified at the town meeting in March of 1978. A public meeting was held on January, 1979 to make our findings public.

This Committee feels we have proposed a financing plan that is reasonable for the taxpayers and will provide suitable housing for the Fire Department on a long term basis.

I would like to thank everyone involved with this Committee and our efforts over the past ten months.

Respectfully submitted,

JAMES PASSANISI
KENNETH SHERWOOD
DAVID RIZZO
IRVING BASSETT, Chairman

Dogs licensed in 1978 – 296

In order that I may serve the residences of Sandown more effectively I have been attending Animal Control Officers seminars in Stratham. At the time I took this position I knew nothing of the requirements or responsibilities. I'm learning!

I feel the town report is the proper place to let the townspeople know what is required of you as an animal owner, and what I am expected to enforce as your dog constable. These laws apply to everyone equally, and there is a good reason why they have been implemented. There are not enough pages in this town report to explain all the whys and wherefores, so I'll list a few of the most pertinent ones without getting too windy about the whole business.

1. All dogs 3 mos. old and older must be licensed by May 1st. (It is required to prove the dogs had a rabie shot). The fees are: neutered males and spayed females \$3.50 – males \$6.00 – females \$6.50. All dogs not licensed after June 1st are subject to a warrant sworn out by the Selectmen to be signed by the dog constable and could lead to the owner having to go to court.

Note: (Because your dog lives in an enclosed kennel, or in the middle of a 100 acre lot does not exempt it from the license laws).

2. If your dog causes any property damage or physical harm to someone, or causes an accident because it's running loose, you are responsible for all costs and charges. This town has a 24 hour leash law which is preempted by state law RSA 466-30 "Dog Control Law."

3. Dogs running loose and picked up by the police or dog constable are subject to a \$20.00 fine. If you lose "poochie" because it got loose or ran out of the house, call me and report him or her missing. Chances are, if someone finds it and calls me, I'll call you and you pick your own dog up. (There are limits to this courtesy service too.)

4. If you are keeping an animal in a cruel, or abusive manner, and it is reported to me — watch out — that's part of my job too. Besides attending to the townfolks needs, I also have an obligation to the "critters" in town.

There are 39 pages of RSA's to learn and use as a tool in the performance of my duties, and in order to better serve you and my responsibilities, they will be used.

Respectfully submitted

JACQUELINE ADAMS

HEALTH OFFICER'S ANNUAL REPORT

The year of 1978 has seen a marked increase in problems in our Town and with the ever expanding population we must all do our part in keeping our property free from debris and rubbish accumulation.

Friends, believe me when I say that we could have a rat infestation problem if we don't cooperate. We have had several locations already with this problem.

Our town can still grow and be healthy and clean for you and your families as we work for this together. Also remember to preserve our Natural Resources so that we and your children can enjoy them.

My thanks to those who have called for assistance and together helped to make conditions better for all of us.

I am happy to have working with me Ernest Pillsbury as my assistant, and in my absence he may be called if you have any problems of this nature.

ROBERT K. TOWNE
Health Officer

MENTAL HEALTH CENTER FOR SOUTHERN NEW HAMPSHIRE

Annual Report for 1978

Fiscal Year 1977-78 saw a major turning point in the history of the Mental Health Center for Southern New Hampshire. In May 1978, after months of planning and application to the National Institute of Mental Health, a Federal Grant was secured to expand services beyond the outpatient facilities in Salem and Hampstead. The Derry and Hampstead offices and the Salem Clinic staff was expanded to meet the growing demand for screening, diagnosis, and treatment of individuals and families. The Center plans to work closely with schools, town institutions and service agencies, not only in case work but also in education, toward early detection and prevention. The newly established Community Services and Education Department offers supporting services to clients, lectures and seminars, radio and television programs, and resource material on mental health issues and problems of daily living.

The Center continues to provide localized inpatient services and care, through working agreements with hospitals in Derry and Hampstead. To expand Sustaining Care to serve a wider range of citizens, Day Treatment and Elders Services have been developed. Special programs for children and the treatment of alcoholism are being planned for the near future. A new 24-hour Emergency Service, available by calling 432-2253, has been operating since August 1978. All services and programs are planned and administered to be as comprehensive as possible, while being responsive to the particular needs of the client and the community.

In fiscal Year 1977-78, 21 clients from Sandown were seen, with 96.5 hours spent in outpatient, screening, and identification services as well as long term services. During the latter half of 1978, the Center's expanded program was able to accommodate more clients, resulting in 10 active cases as of December 1, 1978. In that same time period, 76.5 hours were spent in direct outpatient services, and 10 contacts were made with Emergency Services. The Mental Health Center for Southern New Hampshire recognizes its continuing responsibility to provide this community with the most comprehensive mental health care available.

DERRY VISITING NURSE ASSOCIATION

1978 REPORT TO THE TOWN OF SANDOWN (FOR PERIOD OF 7/1/77 - 6/30/78)

In January, 1978, another medicare certified, professional home health service was made available to Sandown residents as well as to the residents of the other five towns which we serve. This is the service of Occupational Therapy. It is available upon the orders of an individual's personal physician, and is especially helpful for conditions such as stroke, arthritis, problems with eye/hand coordination, situations when energy conservation is important or where household routines need to be adapted to wheelchairs, as well as in other situations. The Occupational Therapy can be an important additional component in a well-rounded, complete home health rehabilitation program, whether the need is for a single evaluation visit or for ongoing visits. As for all other home health benefits in the medicare program, other requirements must also be met to assure medicare *payment*. However this service, as well as our other home health services of nursing, physical therapy, and home health aid, is available as needed and requested by the patient, and as ordered by the physician, regardless of ability to pay. For all our home health services, if there is no medicare, medicaid or insurance payment available the fee is discussed with the patient and family on the first visit and can be adjusted according to income. The appropriation from the town is allocated to make up the difference and to make it possible for us to continue to give care "regardless of ability to pay."

In addition to adding Occupational Therapy, there was an increase in home health visits in some other areas as well as follows:

TYPE OF VISIT	'76-'77	'77-'78
NURSING VISITS:		
For Care of the Sick	77	136
For Adult Health Promotion	33	55
For Newborn/Maternal/Child Health Visits	39	35
PHYSICAL THERAPY VISITS	11	86
OCCUPATIONAL THERAPY VISITS	Not Available	None To Date
HOMEMAKER HOMEHEALTH AID VISITS	<u>286 (790½ hrs.)</u>	<u>284 (605¾ hrs.)</u>
Total Home Visits	449	642
OVERALL INCREASE IN HOME VISITS		43%

Services other than home visits were funded by the town's appropriation and continued to be offered. These included, Blood Pressure Screening, Immunization Clinics available the first Friday morning of every "even" month, and The Expectant Parent Classes. The Immunization Clinics are now at the West Side Community Center in Derry. The Expectant Parent Classes have been increased for the second year in a row so that now there are four series per year consisting of eight classes each. They are fully enrolled each series and we are able to accept only mothers who are in the last trimester (3 mos.) of pregnancy at the time of the series. We anticipate that additional expansion may be needed in this program. Couples are finding that it fills a real need in preparing them together for the childbirth experience.

Inquiries and/or requests for any of our services may be made by a telephone call to our office. The call can come from the patient himself/herself, the family, a friend or the physician.

Respectfully submitted,

JOANNE MILLSAPS, RN
Nurse/Administrator

Sandown representatives on our Board of Directors at this time are:

- William Brennen 887-4139
- Sarah Fogg. 887-3924
- Suzanne Kendall 887-3728

BOARD OF ADJUSTMENT

During the year of 1978 the Board of Adjustment was not too busy in spite of the fact that our town is growing rapidly in population and land developments.

The Board heard requests for four variances to the Town of Sandown Zoning Ordinance. Of these three were granted and one denied. Of the one denied, a request for a rehearing was also denied, because no new evidence was presented to warrant a rehearing.

Three requests for Special Exceptions were heard. Of these, one was granted subject to restrictions.

The other two requests, were not acted upon, because the applicants did not have Planning Board approval of the subdivision for the use intended. It was explained to the applicants that the Board of Adjustment is a Board of Appeals in a sense and could act only in that capacity.

JAMES P. TAMMANY
Secretary

ELECTRICAL INSPECTORS REPORT

During the year 1978, 64 electrical permits were issued for the following purposes:

- 41 — New Homes
- 2 — Additions
- 1 — Garage
- 1 — Mobilehome/replaced by new home
- 1 — Wiring of cellar
- 6 — Service changes
- 1 — Wiring of swimming pool
- 3 — Rewiring of existing homes
- 2 — Wiring of barns
- 1 — Gas pump installation
- 1 — Fire damage
- 1 — Addition to school
- 2 — Wiring of upstairs in existing home
- 1 — Rewiring of Sandown Depot

WALTER PSKOWSKI

PLANNING BOARD REPORT

In March the voters of the town selected their first elected Planning Board, resulting in 4 previous members and 3 new members being elected to fill the 7 member board.

The volume of plans that came before the board was about par with previous years, however with the enactment of sub-soil zoning, at the last town meeting, required more work on the part of the board and particularly on the part of the town engineer. Through sub-soil zoning the board found many areas where the minimum lot size (160' frontage X 40,000 sq. ft.) would not justify a septic system and well, resulting in lots with greater frontage and greater sq. footage.

With the town becoming a member of the Southern Rockingham District Planning Commission it has resulted in an asset to the planning board, particularly in soil analysis which dictates lot size per sub-soil zoning. The board has used this tool in almost every sub-division that has come before us this past year.

Realizing the overdue need for a Master Plan, a attitude survey committee was formed. It is the desire of the board and the committee that constructive information can be gathered over the next year which could be used in formulating a Master Plan.

The planning board meets the fourth Tuesday of the month. We would welcome the public to attend at these meetings as well as our work sessions.

SOLID WASTE DISPOSAL

The Selectmen of Sandown appointed a committee to study the Solid Waste Problem in the Town; the findings of that committee are as follows:

The Town is rapidly running out of time and space in the present dump; the State has sent a letter to the Selectmen, which gives the Town until Oct. 1979 to close the present dump area — due to lack of below-ground level dumping area and the closeness of a brook which could be contaminated by leachate from the present dump.

This committee at first attempted to find a new area in which to dispose of solid waste, but due to soil conditions we were unable to find an area that would be suitable for this purpose; any land would have to meet standards set by the State for the containment of leachate, and this would be very expensive for us.

We investigated the setting up of a full Transfer Station, and the figures that we obtained showed that the capital investment by the Town for equipment and maintenance of this equipment would run

into many thousands of dollars, plus the need for a building, the cost of manpower, electricity, the cost of hauling the compacted waste out of town, and the dumping fee to the Town that takes this waste — all made this plan very expensive.

The recommendation of this Committee are that we go to a door-to-door pickup, with a mini Transfer Station at the site of the present dump, together with a stump dump and heavy metal disposal site. This will provide a service to the residents of the Town and should meet our needs for disposal of Solid Waste. In the costs of this method would be a capital investment by the town of approximately \$10,000 for the construction of a small Transfer Station, a retaining wall with an access road to this station and a blacktop area for the placing of dumpsters. All manpower used would be provided by the company that was chosen by the Town to handle the pickup of rubbish and its removal from the Town.

It is recommended by this Committee, that the Town enter into a contract for one year only, as other plans in the future might mean lower costs for us.

The Committee has also investigated recycling and other disposal methods, but these require several Towns to participate and none of our neighboring Towns seem interested at this time.

The fact that the State requires us to change our method of disposal of waste — plus the large amount that is budgeted for the present dump by the Town this year — makes this recommended method not too far out of line.

Solid Waste Disposal Committee
